This week we will be learning all about short "a" words. You can help your child by reviewing the weekly word list. We will also be discussing the main ideas of different stories we read this week. In math we will be comparing numbers up to 20. At home have your child count different groups of objects and compare them by using the terms greater than, less than or equal to. We are beginning our science unit on staying healthy. We will be learning about proper hand washing, healthy food choice and exercise. In social studies we will be discussing the different American symbols such as our flag, the statue of liberty and the national anthem.

### School Holiday – Friday August 18<sup>th</sup>

**Homework-** Students may pick 4 activities from the weekly word choice board and record their work in their journals. Please return journals on Friday. Also, please try to read for twenty minutes a night with your child.

### Special notes!

- Communication folders, behavior logs and reading logs will start this week be sure to sign the behavior log nightly and return it to school.
  - Don't forget to return your field trip permission slip and money by the end of the week.
- Thank you for all of the paper towels. We should have a good supply for now.
